

K. NAGA THANUSRI

CSE (AI & ML) • Python • Web Development • AI/ML

Sandip University, Nashik, Maharashtra, India • thanusriprasad1314@gmail.com
GitHub: github.com/thanusrikuncham1314 • LinkedIn: linkedin.com/in/thanusri-kuncham-6291a442

PROFILE

B.Tech CSE (AI & ML) student with a growing foundation in Python, web development and AI/ML. Interested in learning by building practical projects, participating in hackathons and gaining real-world experience through internships. Enjoys exploring new technologies and turning ideas into working solutions.

EDUCATION

B.Tech CSE (AI & ML)

Sandip University, Nashik, Maharashtra

2025 – 2029

2nd Year

Intermediate / Junior College – MPC

SR Junior College

2023 – 2025

MPC

Class X – State Board, Andhra Pradesh

Ravinidra Bharathi High School

2022 – 2023

547 / 600

SKILLS

Programming	Python, Java
Web Development	HTML, CSS, JavaScript
AI / ML	Artificial Intelligence & Machine Learning fundamentals
Tools	Git, GitHub, VS Code
Professional	Communication, Teamwork, Problem Solving

PROJECTS

Solar Tech

Technology: HTML • CSS

Responsive educational website exploring solar energy, photovoltaic technology, environmental benefits and future renewable-energy possibilities.

GitHub: github.com/thanusrikuncham1314/Solar-Tech

Basic Chatbot

Technology: Python

Beginner-friendly rule-based chatbot handling greetings, predefined questions, unknown inputs and conversation-ending commands.

GitHub: github.com/thanusrikuncham1314/codeapha-basicChatbot

Stock Portfolio Tracker

Technology: Python

Python project that tracks stock portfolio information and calculates total investment value from user-provided stock data.

GitHub: github.com/thanusrikuncham1314/codeAlpha-stockPortfolioTracker

INTERNSHIP EXPERIENCE

CodeAlpha – Python Programming Internship

Project-based internship experience

Completed practical Python programming tasks and developed project-based solutions. Organized project files, pushed completed work to GitHub and shared project progress professionally.

HACKATHON

RakshaRide – AI Crash Detection & Emergency Response for Two-Wheelers

Participated in an online hackathon as part of a 6-member team. The project focused on an AI/sensor-based concept for crash detection and emergency SOS response for two-wheelers.

Presentation / Communication: Telugu • English • Hindi

CERTIFICATION

IBM Certificate – Lab: Troubleshoot Your Code Using IBM Bob

Completed on 05 August 2026.

STRENGTHS & INTERESTS

- Curious learner who enjoys exploring new technologies.
- Likes learning something new during free time.
- Drawing and creative activities.
- Communication and teamwork.
- Enjoys learning through practical projects and experimentation.

LANGUAGES

Telugu • English • Hindi
